

BTEC Public Services

Public Services

Student Guide

Exam Board:

Edexcel

(Equivalent to 2 GCSE's at A*-C)

What will I study in Public Services?

Units studied will include:

Public service skills — **what it takes to work in the public services**

Research the public services—**choose your own project on anything in the PS**

Adventurous activities — **team building including army residential!**

What will the Public services lessons include?

The course is 100% coursework, some of which includes practical activities.

You will be expected to participate in all aspects of the course and contribute to group work and discussions.

Parts of the course will be delivered by people who work within the uniformed public services

Residential and day trips will be a part of this course and will give you a great opportunity to see the public services at work
