The UK hair and beauty sector is growing at a rapid rate and opening up many exciting career possibilities. The Diploma in Hair and Beauty studies will develop the knowledge, understanding and skills relevant to the sector. You will learn about six major subjects : - hairdressing; beauty therapy; nail services; spa therapy; barbering; African type hair. You will investigate how culture, science, anatomy, marketing and sales affect the industry.

Throughout the course, learners will have the opportunity to:

- explore the History of Hair and Beauty
- investigate the science of hair and beauty
- promote and sell products and services
- explore skin care and make-up
- explore hair care and styling
- explore hand care and nail art
- develop communication skills
- investigate the world of hair and beauty

In addition learners will study for two separate Certificates - in Photographic Art and Body Art.

Learning Location:

The course will be delivered in Warrington Collegiate's, state of the art Hair and Beauty Academy. You will also have many opportunities for work related visits such as: Derby University's Buxton campus, Hair and Beauty exhibitions and The Wella Hair Academy.

Uniform and Equipment:

Uniform: Learners will be required to purchase a relevant uniform: burgundy tunic, burgundy trousers, black salon shoes (approx £60.00). Details of how to order the uniform will be provided upon acceptance onto the course.

Progression Opportunities:

A Diploma in Hair and Beauty Studies will give the skills you need for further educational opportunities or work and is a first step towards a career in this sector. Careers in this sector include: Make-up Artist, Hairdresser, Beauty Therapist, and Salon Owner.

The UK hair and beauty sector is rightly regarded as the best in the world. There are many opportunities. However, the Diploma in Hair and Beauty Studies doesn't mean that you have to opt for a career in this sector. Because it teaches a mix of subjects, it will give you the skills that are welcomed by employers and universities no matter what you choose to do.
