The 268 and 270 will be operated by MD Bus and Coach Ltd (trading as Link Network), this operator currently operates their service X6 from Chapelford and the morning journey of service 268 will be merged with the X6 route. The combined journey will be numbered 268 and the route will be amended to accommodate the Chapelford area currently served by the X6 service (the new service will not serve the south (Asda) section of Westbrook Crescent which instead, will be served by an amendment to service 270).

There will be no change to the afternoon journey on service X6 as service 268 will continue to be operated by Springfield Bus & Coach as a separate service via the existing route.

The new morning service 270 will operate as per the existing route as far as the Westbrook Crescent/Westbrook Way junction, then divert via Westbrook Way and Cromwell Avenue to serve the Asda section of Westbrook Crescent before continuing to the School. The afternoon journey will continue to be operated by Springfield Bus & Coach via the existing route.

Fares for the new morning journeys will remain at £1.00 per child single journey.
